

Mark Schulman TESTIMONIALS

Through experience, interviews, and anecdotes, Mark Schulman provides insight into the mindset and skill sets that can be used to break through the barriers to success and beyond.

-CEO of Zappos.com

It's not easy to get a standing ovation from a corporate audience; Mark got two! Mark Schulman's keynote address was truly a great success and made me, the event planner look like a Rock Star!

-Marketing Events Manager, Information Global Solutions

He was literally amazing. Hands down the best keynote we've ever had.

-Executive Director, SME Entertainment Group, LLC

Mark is a unique performer in a world of talking heads.

-Chief Solutions Officer, YAHOO!

Thank you again the passion and caring that you put into the sessions with our teams.

-Managing Director Optus Business

His energy is infectious and his information valuable. He really makes each person in the audience feel like he is talking to them individually.
